2018 RABBLE PINOT GRIS

100% Pinot Gris

LABEL STORY: *These are our single varietal wines; uncorrupted and pure.*

The Rabble labels are renditions of historical wood block prints from the Nuremberg Chronicle (late 1400's), textured and tactile, depicting nature's wrath. Nature is ruthless when it goes ignored. This label illustrates the Fire breathing dragon attacking the tower of London.

VINEYARD: *Murmur Vineyard*

South facing sand slope, weathers 25° diurnal shifts, summer sun and bitter winds. Borders the most South Western portion of Santa Maria AVA, 12 miles from the Pacific. Dynamic varieties, clones, and rootstocks.

WINEMAKER'S TASTING NOTES:

Alsatian-inspired with notes of lime, green apple, white flower and wet stone. Following the nose are flavors of Anjou pear, white nectarine and citrus. The vibrant and crisp acidity balances out this medium bodied wine and carries it through the lingering finish.
